FAST ROI

- High throughput
- Top revenue

UNACHIEVABLE AT HOME : Free-roaming and 4D effects attract crowds and boost repeat visitation thanks to word of mouth.

HIGHER THROUGHPUT : Six players can play together at the same time. You can add another player kit to reach up to 36 players per hour.

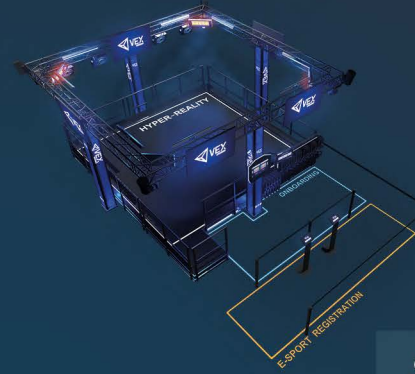

NO BACKPACK, NO STREAMING, NO COMPUTER : Using the latest technology available, the reliability of the whole system is increased and the operation made more efficient with lightweight hardware.

AUTOMATED ONBOARDING : Ensure a reliable throughput with the seamless addition of tutorials and presentation videos during onboarding.

ENHANCED GUEST EXPERIENCE : Self-registration, personalized adventure, post-game analytics, player app & souvenir picture are part of your attraction. Let the data do the work through our automated marketing tools.
