THE ACTIVE GAMING MIXED-REALITY ATTRACTION

DISTRIBUTED IN NORTH AMERICA BY AMUSEMENT PRODUCTS

INTERACTIVE MIXED-REALITY ATTRACTION

A vibrant, interactive mixed-reality attraction called PartyDash. The scene features a large, illuminated LED wall and floor. A woman in a white tank top and black pants is pointing at a large red, stylized character on the wall. A child in a white tank top and blue pants is standing on the floor, which is covered with colorful, glowing cards. A man in a white tank top is also visible, interacting with the floor. In the background, there's a scoreboard with player names and scores. The overall atmosphere is bright and dynamic.

NO WEARABLES

No VR headsets, controllers, or straps required. Players **just step in and play**, making it quick, hygienic, and frictionless for operators and customers alike.

ATTENDANT-FREE

No staff needed: players handle payment, setup, and gameplay themselves. **Automated onboarding** and **cashless support** make PartyDash hassle-free and cost-effective to operate all day long.

CROWD MAGNET

One massive **touchscreen LED wall** and a fully **interactive LED floor** make PartyDash visible across the venue. Bright, dynamic visuals attract attention instantly and convert passersby into players.

FAMILY-FRIENDLY

Accessible for **kids as young as 5**, while still thrilling for teens and adults. A **true crowd-pleaser** that ensures group play up to 4 players and repeat visits.

HIGH THROUGHPUT

With **fast 2-5 minute rounds** and simple onboarding, PartyDash keeps the line moving. Short games maximize replay value and generate more plays per hour.

ACTIVE GAMING

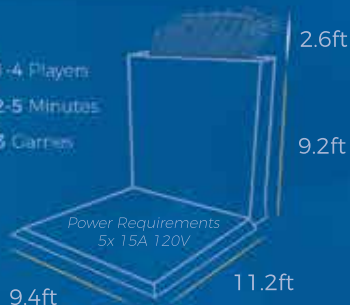

Dash, jump, and move to play on the **robust screens**. Every step and motion translates directly into the game, creating an experience that's **as physical as it is digital**. PartyDash blends the physical fun of playground games with the excitement of arcade play.

EASY INTEGRATION

Compact footprint, no special lighting or enclosure required. PartyDash fits seamlessly into arcades, FECs, and venues of any size.
